Form of Amendments

The amendments and substitution pages are submitted in the new format. Hence, for each amendment to each distinct section of the application, a separate sheet will be employed per the new format. Separate sheets will be commenced for a.) Introductory Comments; b.) Amendments to the Specification; c.) Amendments to the Claims; and d.) Remarks. It is observed that for claims, all claims will be displayed where any amendment is made to any claim. Amendments to claims shall be shown by strike through for deletions and underlining for additions. Amendments to the specification will be by strikeout and underlining. No separate "clean" version is provided for either amendments to claims or specification.

Status of Claims

The Examiner's Action of May 26, 2005 notes that rejections remain under 35 U.S.C. 112 from the Examiner's Action of October 18, 2004 and that response is required.

Response to Office Action of May 26, 2005

Your applicant now responds to the Office Action of May 26, 2005.
